

Naval Wargames Society Subscription Form 2009

The Naval Wargames Society (NWS) was formed in the 1960s with the aim of promoting naval wargaming throughout the world and to act as a forum for the exchange of information and ideas for the development of the hobby. To this end we produce a magazine entitled '**Battlefleet**'

Membership of the NWS is by subscription to "**Battlefleet**", and is based upon a four-issue volume. Members joining part way through a subscription period will receive all back issues of the current volume. It is intended that the journal will be issued four times per annum, with the first issue in Summer 2009, final issue Spring 2010 (although we reserve the right to extend the subscription period to guarantee consistency of the quality and content). As well as articles covering all periods and aspects of naval wargaming from ancient galleys to modern carriers and submarines (and beyond), Battlefleet also includes model, hobby and naval news and reviews of models, rules, books and other items that are of interest to naval wargamers. Members' advertisements and queries are included free of charge.

Other benefits of membership include discounts offered by manufacturers and retailers, including A & A Game Engineering, Chiltern Miniatures, David Vanner, Denian Models, Dreadnought Models, LKM, Langton Miniatures, Partizan Press, Peter Pig, Portsmouth Miniatures, White Ensign Models and MY Miniatures.

Members in the UK also have the opportunity to join in NWS regional activities and the now legendary NWS Annual Holiday! The society also publishes a monthly email -newsletter that includes forthcoming events, battle reports and other information. The newsletter, entitled 'All Guns Blazing' is an excellent means of promulgating details of forthcoming events, plus battle reports, news items and other bits and pieces. If you wish to subscribe to the newsletter please indicate this on the form below.
